Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In further response to the Final Official Action dated April 9, 2003 and in response to the Advisory Action dated September 23, 2003, applicants present the following amendment and remarks for the above-identified patent application. It is respectfully requested that the amendments and remarks herein be considered at the time of examination of the instant patent application.

Please amend the specification and claims according to the last entered amendment as follows:

Amendments to the Specification begin on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks begin on page 6 of this paper.
